

# 2021 EPS FALL SPORTS REGISTRATION

The deadline to register is Friday, June 18.

At EPS, our program is built around our student-athletes commitment to their teams. All athletes are expected to attend all practices and games. It is often not feasible to balance other after-school commitments with athletic participation. Please consult with us in the athletics department before the season to ascertain whether the sport you wish to play can be compatible with other commitments. **Activities that are not compatible with sports include Robotics, Drama, Club Teams, etc. if they practice on the same days as your team.**
